

# Hospital Augmented Reimbursement Program (HARP) Enrollment Application

Please answer the questions below to enroll in HARP for the program year beginning October 1, 2021.

In order to be eligible for a HARP payment, the hospital must meet all of the following:

- Be a non-state government-owned and operated hospital or a private hospital
- Be enrolled in Medicare
- Participate in Texas Medicaid fee-for-service

Please submit one response for each acute hospital TPI/CCN and do not submit a form for each sub-provider.

This enrollment application will close **October 1st, at 5pm**. Once enrollment closes, Health and Human Services Commission (HHSC) Provider Finance will calculate the maximum HARP payments and suggested intergovernmental-transfer (IGT) responsibilities for each eligible hospital, and will issue an IGT notification that specifies a date that IGT is requested to be transferred. HHSC may post the IGT deadlines and other associated information on HHSC's website, send the information through the established Medicaid notification procedures used by HHSC's fiscal intermediary, send through other direct mailing, send through GovDelivery, or provide the information to the hospital associations to disseminate to their member hospitals.
